## Hueytown, Alabama

### Why Small Groups?

According to an article by Carolyn Taketa: "Small groups are a means to an end." They exist as a way for people to engage in biblical community that helps us to become more Jesus like in every area of our lives. God created us to be in community with one another. God never intended for us to live alone. It is in small groups that people can get close enough to know each other, to care and share, to challenge and support, to confide and confess, to forgive and be forgiven, to laugh and weep together, to be accountable to each other, to watch over each other and to grow together.

The church is looking at starting a few new small groups. We have some suggestions including a parenting class and a Bible Journaling class. A variety of times to meet have been suggested. Some will be short term groups and others long term.

I (we) would like for you to prayerfully consider where your heart may be led and please message me on Facebook or text me (205-902-0301) if you have ideas, input, thoughts, or suggestions in ways our church may be led to reach your needs, as well as, those of our community. Please share your vision for the church.
