Connecting Points

Paul wrote to the church in Philippi, I thank God every time I remember you and then he added because I hold you in my heart. Actually, he may have said because you hold me in your heart. We're not sure if Paul was hugging or holding them or if they were embracing him with love. A healthy relationship is like that; it's mutual. There's give and take and you're not really sure who is hugging whom.

I want to express my thanksgiving for our time together and the different ways you held me in your heart. Last night's celebration was amazing! I really enjoyed Joel and Malia singing and appreciate them delaying their vacation to be with us. Scott did a great job facilitating and adding levity to our experience. Many of you shared personal and heartfelt words and memories with me that made my heart sing. Thank-you for the monetary and other gifts I received last night and over the past couple of weeks. Finally, thanks for all the cards you blessed me with and your written notes of love and care.

I want to finish my time with you by thanking the lay leaders and church staff. We are experiencing a leadership void in the world and Church today but Hueytown First has some outstanding and exemplary servants of Jesus. John Maxwell says, "Speed of the Leader, Speed of the Team!" Thank you lay and staff leaders for pursuing God with passion and setting the pace for us in following our Lord and Leader, Jesus Christ.

Thanks for the Memories,

Pastor Dean
