John's Journal

July 31, 2018

Hello Children of God! Well, I have to say that you are about the coolest congregation I've served in a while. It was so great in worship on Sunday, July 29th, for me to hint at an "Amen," and all of you raised a sign saying "Amen!" I felt like a kid in a candy store. I hope and pray the smile on my face represented the feeling in my heart! Y'all are some good eggs!

I want to share a little information with you about how things are going here at Hueytown F.U.M.C. First, you have probably noticed our "New Signs" in the parking lots. Our Trustees voted in late 2017 to place additional "Visitor" and "Handicap" parking signs in some new places. Please note that the "Visitor" signs pertain to Sunday mornings and official seasonal or night worship events. It is just fine for all members to park in the visitor spaces during the week, or at night for small group meetings, leadership meetings and the like. I would though, like to ask that those of us (myself included) who are able to park farther from the building and immediate spaces closest to the building, to please do so. It helps our "older saints" out if we do this both on Sunday mornings and during weekday events. Thank you for this help!!

Secondly, please note that the Trustees are conducting a cost search on a multi-seat golf cart. The purchase of such a golf cart will help us help folks to the building who have a difficult time walking, help our moms with small children, and help on rainy days to get folks to the building relatively dry. While these are positive changes, it will take some getting used to. We will pass along information about the new golf cart as soon as we can. Thanks for your support and understanding!

Lastly, on another note, it's time to start thinking about what you might join this Fall in the way of a Small Group Discipleship Class. I myself am looking to teach a couple of classes this Fall: 1) The Most Misused Verses in the Bible by Eric Bargerhuff, Jr., and 2) A Study on the Book of Acts. The days and times are yet to be determined, but I wanted to let you know my intentions this Fall. I will be meeting with Lori Burgett soon to talk and carve out our Congregational Spiritual Growth plans for the Fall and Spring of 2018.

May God's Blessings be with you this week as we enter Awesome August with some very special worship time in the Traditional Services. Our services in Thrive with remain in the same format as we head into Fall. In fact, go enjoy the Traditional Services, and then swing by to hear the messages in Thrive. The series for August is called, "Addicted to Hurry!" Aren't we all?

To Christ's Glory,
Bro. John V.
