John's Journal

August 10, 2020

Hello Members and Friends of Hueytown First United Methodist Church! As I share with you this week, we are embarking on an "altered" few Sundays of Awesome August 2020. I am excited about the upcoming weeks of worship through the gift of music during our Traditional Worship hour. I am thankful, and ask you to share your thanks, for Joel Henson's work in bringing us the following special guests:

August 16, 2020 - Mr. Jerrell Horton

August 23, 2020 – The Edmonson's Boys

August 30, 2020 – SonRise

In writing this week I want to keep you updated on church happenings and "all things" going on: First, our Child Care Center has hired Stephanie Darabaris as Director. Stephanie is coming back to us here at Hueytown First CCC. She was a 4-year old teacher a number of years ago. She has since completed her degree at UAB in Education and has worked not only as a teacher but in other Child Care Centers since being away in a leadership role. Stephanie has a great passion for children! Second, we recently had a fire at the rental home that is adjacent to the large parking lot on the North side of our church. There was significant damage done by the fire, but no one was hurt or injured as a result of the fire. Leo Madderra and the Trustees are working with our insurance carrier on what's best for the future of that property. Third, the Trustees have met with a providing vendor to upgrade the security of our church facility. This has been an ongoing discussion for the last two years plus, but we now have plans and a projected cost. More information forthcoming. Fourth, enough cannot be said about your participation of giving to make Livestreaming Worship a reality. On Monday, August 3rd, Donald Wright, Scott Edmonson and myself participated in a ZOOM forum through our Annual Conference on Livestreaming Worship, and we came away knowing that we were one of the top producers of Livestreaming. What that means is that we have necessary tools to offer a clean, clear and consistent service with special touches to a Livestreaming audience. ALL because of your gifts to make it possible!

Thank you! Lastly, but certainly not least, the Finance Committee thanks you for your continued and faithful giving during this time of Pandemic. You continue to honor God's glory through your support of His church.

In closing out this week, I am in the works of putting together some ideas for outside gathering as a congregation that honors "Social Distancing" but gives us opportunities to gather as the Body of Christ. One such idea is, as weather permits, to use our Amphitheater for some gatherings on either Wednesday or Sunday nights. The area provides a great amount of shade and is open enough to allow us to bring personal lounge chairs and spread out. Recently, one of our Boy Scouts completed an Eagle Scout project by building a landing area for folks to sit that gives them view of the Amphitheater stage. This area will assist our folks that have maneuvering issue on slopes and uneven grounding. More to come on our planning!

Friends, thank you for all you have done, all you are doing, and your response to the days that lay ahead of us. It's a privilege and an honor to serve you, and to serve with you!

In Service to Christ, Bro. John V.
