John's Journal

September 14, 2020

Hello everyone, I hope and pray you are well this week? It was again so good to be back together in worship on Sunday, September 13, 2020. Thank you to all of you that attended and for your diligence to social distancing and wearing a facemask. You are the best!

I want to communicate once again where we are with the usage of our church facility related to phasing back into some "in-person" ministry: ...our facility can begin to phase-in Ministry Meetings and Sunday School gathering. **What does this mean?** It means that if a Sunday School Class has a room big enough to meet that a 6-foot Social Distancing requirement can be met and participants will wear masks when meeting, they can gather for 1 hour. It means that ministry / committee meetings can likewise take place under the same parameters.

What if my class meeting area doesn't allow those parameters? It means to contact the church office so that we can schedule your group for an appropriate meeting place/room. **PLEASE DON'T JUST PICK ANOTHER ROOM AND MEET.** Such a decision makes it impossible for Jay Bates to keep our facility clean and sterilized without knowing about room usages. Communication will go a long way for all of us to get back to some range of normal.

Lastly, **what does this mean with regard to funeral meals and use of the kitchen?** It means that with the same parameters of a 6-foot Social Distancing requirement as a set-up for families and participants attending, and servants wearing masks/gloves except for times of eating. **Why is this important to the servants?** Utilizing the kitchen without following these parameters puts our Child Care Center at risk for the daily preparation and serving of meals. Anyone in the kitchen presents potential unknown spread of COVID-19, and none of us wants any of the such to happen. Again, I hope this gives each of us needed information. I hope this gives us all some hope that WE ARE moving forward.

In Service to Christ, Bro. John V.
