John's Journal

October 12, 2020

In Service to Christ,

Greetings Friends in Christ! I am hopeful and prayerful that each of you are well as you receive the Hueytown First United Methodist Church Newsletter. I keep each of you bound in prayer as we continue to navigate the COVID-19 Pandemic.

I want to remind you that I myself and Bro. John Simmons remain bound by the requirements of the CDC, The State of Alabama Health Department and The Jefferson County Health Department to remain practitioners of Social Distancing during the Pandemic. What does this mean for you our congregation? It means that we care for you, we are praying for you, we desire to be in contact with you through allowable means, we carry your needs both in our hearts and upon our shoulders, and it means at this time...we cannot be present in hospitals or in homes at this time.

The first is obvious, hospitals, along with nursing homes and most assisted living facilities, are only allowing one family to visit and are doing so in 15 minutes time slots by appointment. At this time in hospitals, one family member is being allowed to be with a family member that is having surgery. The second...with regard to not visiting in homes, it is related to the unknown exposures that we as pastor's may have had, and vice versa. We do not want to be, and we cannot be an unknown carrier bringing COVID-19 into anyone's home. The stories are present that prove visits in homes do and have produced carrier infection on others. There is just too much risk to families and pastor's alike.

Friends...let me assure you that these are new days in Pastoral Care for both Bro. John Simmons and me. We have talked several times about this matter, and we too are living in the current new normal. Above all things though, be assured of our love and care for you all!

Lastly this week, I want to again give and offer thanks to you as a congregation of believers in Jesus Christ for your financial support of the ministry of our great church. Your dedication and commitment to Jesus Christ's message of Hope have been a living example over these last seven months as times have been economically challenging. Your giving has kept the power, gas, water and salaries up to date when many churches have had to forego staff as well as drastically alter their ministry opportunities to serve those in need. You have kept ministry outreach alive, vibrant and beyond the doors of our very facility. I believe the Father in Heaven continues to send forth His blessings as you focus on the needs and ministry toward others through your gifts. Blessings to one and all of you for your faithfulness.

Bro. John V.

If you are the Chairperson of a Committee outside of the noted above teams, and need/request a change for yourself, please contact me as soon as possible.
