JUST THINK ABOUT IT

July 8, 2024

Hello Friends of Jesus!

Hello Friends! Well, the extreme heat and heat index in our area continues. By the time you receive this week's newsletter, the temperatures will have been once again in the mid to high 90's, with heat indexes into the 100'. Again, please make sure you stay hydrated, seek to do what you need to do in the morning hours, and check on one another. Let's all remember that none of us is immune from the effects of extreme heat and heat indexes. Be safe!

I, along with Lisa, want to "Thank You," as a congregation (friends) for your outpouring of love in the last weeks as we have celebrated as a family for our Emily and Taylor's baby adoption. Your loving offerings and giftings to S.E.H.'s arrival in our family are so very much appreciated, and we thank you for loving Emily, Taylor and S.E. Blessings to you all!

I recently was watching a video that told about a tour group that had made it's way to England, and the home/the ministry of John Wesley (Father of Method-ism). During the tour, one of the sites visited was the home of John Wesley. The tour guide took folks into the study room of John Wesley, where he pointed out two very worn places on the floor next to a day-bed. The tour guide began to explain that the worn spots were from the many hours of daily prayer that John Wesley spent in prayer...prayer for the lost, the disenfranchised, the church, the movement of the Holy Spirit, the resurgence of faith in God, Jesus Christ and the Holy Spirit.

After the tour was over, the travelers were making their way back to the bus and loading for their next stop. The tour guide began to count off the passengers and came up short one person several times. The tour guide made his way back into the home/study room of John Wesley, and sure enough, there was one of the passen-gers...he was kneeling down in prayer with his knees in the very spots where John Wesley had prayed daily. The tour guide overheard the prayers of the tourist, Billy Graham, saying, "Do it again through me Lord, Do it again through me!"

In our day, time and culture that needs the working of the Holy Spirit through God's people for a Spiritual Holy Movement, I am hopeful that your prayer, my prayer, our prayer as a congregation is, "Do it again through me Lord, Do it again through me!"

In Service to Christ,

Bro. John Verciglio

FELLOWSHIP HALL DOOR

Friends, we need your help on Sundays. Specifically, to check the Fellowship Hall Door that leads to the inner courtyard area between the Fellowship Hall and the Sanctuary Building. Recently, I have found this door unsecured when I walk through on Monday mornings upon my arrival. Just a little help please in keeping our facility secure. Thank You!

Bro. John V.
